CEDARDAY, Bel Air, MD

Welcome to 2214 Erin Way, a beautifully maintained four-bedroom, two-and-a-half-bath brick Colonial in the highly regarded Cedarday community of Bel Air. Set on a landscaped corner lot, this home immediately stands out with its classic brick exterior, new roof (2025), covered front porch, and recently replaced (2020) front and rear doors. Inside, neutral paint tones and natural light fill the home, creating a bright, comfortable atmosphere from the moment you step inside. The two-story foyer with hardwood floors opens to a layout that balances everyday functionality with timeless design. The formal dining room features a tray ceiling and chandelier, while the front living room offers a versatile space that can serve as a sitting area, den, or home office. The open kitchen and breakfast nook form the heart of the home, showcasing stainless-steel appliances, a gas range and refrigerator (2021), granite countertops, tile backsplash, and a center island with a breakfast-bar edge for additional seating. French doors lead from the breakfast area to a partially covered concrete patio—a perfect spot for morning coffee or relaxed entertaining. Adjacent to the kitchen, the family room provides a cozy gathering space with heated tile flooring, recessed lighting, and a gas fireplace accented by a granite surround. A convenient half bath and a main-level laundry room with a utility sink complete the main floor. Upstairs, the open landing leads to four spacious bedrooms and two full baths. The

primary suite includes two walk-in closets and a private bath with a soaking tub, separate shower, and extended vanity. Each bedroom, including the primary, features new carpet (2024), creating a fresh and comfortable environment throughout the upper level. The lower level spans more than 1,400 square feet and offers abundant flexibility, featuring a bath rough-in, a walk-up exit to the backyard, and built-in storage shelving—ideal for future expansion or organization. A three-car side-entry garage provides generous parking and storage, complete with a generator hookup for added peace of mind (generator not included). Additional updates include the HVAC (2016/17), water heater (2018), replacement commodes in all baths (2025), and a full home security surveillance system. The partially covered patio overlooks the landscaped corner lot, offering a comfortable setting for gatherings, grilling, or simply enjoying the outdoors. Conveniently located near major commuter routes, shopping, dining, parks, and Harford County schools, this Cedarday Colonial offers a rare combination of quality, comfort, and practicality in a well-established community. 2214 Erin Way has been thoughtfully cared for and is ready to welcome its next owner.
