LITTLE NECK FARM, Rock Hall, MD

Explore one of the finest current offerings of Kent County Eastern Shore waterfront properties. Have your wish list by your side and prepare to check all the boxes as you view our sampling of photographs. This carefully maintained red-brick colonial-styled residence is perfectly situated on a private, serene, 18-acre nature and wildlife rich environ. A new 150' dock with 30,000# lift and another for jet skis, a specially designed small sandy beach, nearby duck blind, regulation size bocce court, and waterside pool offer a great four-season outdoor lifestyle. The various outbuildings create a "village like" sensibility and include an award-worthy barn with grand loft-space, several garages with finished spaces above, a pool house with sink and refrigerator, and a potting shed that "the Martha S" would envy.

The residence' main level features an inviting flow of living and entertainment spaces that connect with bluestone terraces. A welcoming foyer, office/library with gas fireplace, dining room with corner cupboards, "great" living room, also with gas fireplace and waterside wall of true-divided light windows and doors. The updated island-kitchen with breakfast room and bay window is adjacent the Sunroom (with wine refrigerator and serving area) greets each sunrise and reflects sun setting blazes too. The second floor features the primary suite, a waterfront bedroom with two room sized walk-in closets (one with a discreet laundry) and stunning bathroom complete with

porcelain soaking tub. The most inviting guest suite, with ensuite bath, features a private staircase to the first floor, and bookends the primary suite with two additional bedrooms and tiled bath. An attached two car garage, powder room, mud room with laundry, multiple closets and a temperature-controlled wine room adjoin garage. A full-size attic with dormer windows provides great storage. Space does not allow for adequate descriptions of the remaining outbuildings, each with a unique character and purposes. (Think additional garage bays for special cars, game and exercise rooms. The photo gallery will provide a sneak preview of its impeccable barn (designed by original owner), detached garage with a game room above, a well-crafted two-story building that could be a generous guest house, and two rustic garden sheds that Martha Stewart would love! Fenced spaces were carefully designed and nurtured for gardening: Kitchen, Sculpture, Flower and Nursery. The salt-water pool and small pool house for refreshments, water side gazebo and a perfectly designed regulation bocce court grace the property's waterside. The just built dock, with two power lifts, is in addition to a deeded premium slip at the recently rebuilt community dock. Deer privileges for owners and friends only and a duck blind too!
